RE: Docket No. 13-035-114, "In the Matter of Rocky Mountain Power's Customer Owned Generation and Net Metering Report and Attachment A for the Period April 1, 2012 through March 31, 2013"

Dear Mr. Taylor:

On June 28, 2013, Rocky Mountain Power (Company) filed a Customer Generation Report and Attachment A for the Period April 1, 2012, through March 31, 2013 (2012 Report). In a July 29, 2013, memorandum filed with the Commission the Division of Public Utilities (Division) concluded the 2012 report meets the Commission's reporting requirements and recommended the Commission acknowledge the 2012 Report. In addition, the Division observed the heading on the Customer Generation Report does not reflect the correct reporting period of "April 1, 2012 through March 31, 2012" and recommended the Company correct the heading.

The Commission concurs with the Division's recommendations and acknowledges the 2012 Report as meeting the Commission's reporting requirements. In addition, the Commission requests the Company file in this docket, by September 3, 2013, an errata Customer Generation Report with an updated heading reflecting the correct time period.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
