Subject: Follow-Up: Blue Mountain PPA

Hi Paul:

I enjoyed meeting you last week and felt like we had a very productive meeting. As a follow-up to our call, we have attached a "redline" of the PPA based on notes I took as we walked thru the agreement. I believe there are several concepts you needed to discuss with management, e.g. amount of development security, deletion of deficit damages, etc. and would appreciate you reviewing the attached at your earliest.

As soon as we have your feedback on the redline, I would like to review with our lender / partner so we can finalize. In the mean time we will start working on some of the exhibits. Thank you and best regards.
