)	

Pursuant to Utah Code Annotated § 63G-4-207 and Utah Administrative Code § R746-100-7, Ellis-Hall Consultants, LLC (“EHC”) respectfully requests that the Public Service Commission of Utah (“PSC”) permit EHC to intervene in the above referenced matter. Utah Administrative Code § R746-100-7 provides that persons wishing to intervene may do so if they conform to Utah Code Annotated § 63G-4-207.

EHC requests leave to intervene to give the PSC notice of concerns it has relating to the Project and the manner in which the Power Purchase Agreement (“PPA”) was approved and submitted under this docket. EHC believes that its interest will be substantially affected by the current adjudicative proceeding. EHC seeks to intervene for the purpose of protecting its interests and its projects. EHC is also concerned about a conflict of interest with Latigo Wind Park’s current counsel.

Consequently, EHC respectfully requests that the PSC take notice of EHC interests and permit EHC to intervene to protect its interests. EHC also requests that it be permitted to participate in any hearings or proceedings scheduled in this matter. The interests of justice and the orderly conduct of this proceeding will not be materially impaired by allowing EHC to intervene

Notices and filings in this proceeding should be sent to the following:
