Gary, as we discussed, this matter should be addressed directly with Ms. Hines, the complainant in this matter. If Mr. Solander would present a stipulated motion in which RMP and Ms. Hines agree to alternative dates for the hearing, that would be ideal.

As for Mr. Solander's present proposal, the ALJ is not available on either October 25th or October 28th, but could possibly accommodate a hearing on October 29 (Tues.), October 30 (Wed.), October 31 (Thurs.), or November 1 (Fri.).

Thank you again for all your time and attention regarding this issue.

It has recently come to Rocky Mountain Power's attention that one of its witnesses in this matter has a conflict with the currently scheduled hearing date of October 17<sup>th</sup>. Would any of the parties object if we moved the hearing date to either October 25<sup>th</sup>, or sometime the week of October 28<sup>th</sup>? Once I have heard from the parties I'll file a request with the Commission for a new hearing date that would be agreeable to everyone. Please let me know if you have any questions.
