> It has recently come to Rocky Mountain Power's attention that one of its witnesses in this matter has a conflict with the currently scheduled hearing date of October 17th. Would any of the parties object if we moved the hearing date to either October 25th, or sometime the week of October 28th? Once I have heard from the parties I'll file a request with the Commission for a new hearing date that would be agreeable to everyone. Please let me know if you have any questions.
