DOCKET NO. 13-035-162
ORDER APPROVING CUSTOMER SERVICE AGREEMENT

ISSUED: December 4, 2013

By The Commission:

On October 4, 2013, Rocky Mountain Power, a division of PacifiCorp (“PacifiCorp”), filed a request for approval (“Request”) of its agreement with Monroe City, Utah (“City”) whereby PacifiCorp agrees to allow the City to provide electric service to a certain customer (“Additional Customer”) located outside its municipal boundaries and located within PacifiCorp’s certificated service territory (“Agreement”). PacifiCorp indicates the City and PacifiCorp entered into the Agreement, subject to the Commission’s approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40.

On November 5, 2013, the Division of Public Utilities (“Division”) filed a response to the Commission’s October 7, 2013, Action Request, recommending approval of the Agreement. According to the Division, the Additional Customer is located within one-half mile of the City’s municipal boundaries but more than one mile from PacifiCorp’s facilities. As such, PacifiCorp and the City agree it is most cost effective for the City rather than PacifiCorp to provide electric service to the Additional Customer. The Division agrees that it is better from an economic standpoint for the City to provide electric service to the Additional Customer. The Division further indicates that none of PacifiCorp’s current customers will be affected by the Agreement.
