

RMP 2014 GRC Filing Requirements

R746-700-23-C.8.m

The loss factor data used to develop the load forecast for the system and for each state for the most recent five calendar years and for the most recent five fiscal years; include a comparison of those loss factors to those that were used in developing loads for the PCM for the test period used in the case,

Response to R746-700-23-C.8.m

Please refer to Attachment R746-700-23-C.8.m for system losses for the most recent five calendar years (2008 through 2012). PacifiCorp does not use fiscal year reporting.
