

## **RMP 2014 GRC Filing Requirements**

### **R746-700-23-C.8.y**

The costs of wind integration as modeled in the PCM.

### **Response to R746-700-23-C.8.y**

Please refer to the Wind Integration Charge section of the Direct Testimony of Company Witness, Mr. Gregory N. Duvall, which provides an explanation of the wind integration modeling.

For the calculation of the cost of wind integration, please refer to Confidential Attachment R746-700-23-C.1 -3. For the Generation and Regulation Initiative Decision Tool (GRID) project supporting this study, please refer to Confidential Attachment R746-700-23-C.1 -2.

For the reserve requirements included in the model, please refer to Attachment R746-700-23.C.8 -1, specifically the file referenced below:

“UTGRC14w\_Regulating Margin Base Amount.xlsx.”

Confidential information is provided subject to R746-100-16 of the Commission Rules.
