Dear Consumer,

The scope of the Informal Complaint process through the Division of Public Utilities is to enforce uniform residential utility service practices and procedures governing eligibility, deposits, account billing, termination, and deferred payment agreements.

Because your complaint pertains to a topic being evaluated by the Public Service Commission under Docket No. 13-035-184, I have forwarded your comments to the Commission for review. You also have the right to attend the Public Witness Hearing on July 29th to voice your concerns. You may follow the proceedings for this case at: www.psc.utah.gov.

Respectfully,

Erika Tedder
Office Specialist
Division of Public Utilities
(801)-530-6653

UTILITY: Rocky Mountain Power

ACCOUNT NUMBER: 275565160015

COMPLAINT TYPE: Other

COMPLAINT: I am opposed to the proposal for a solar fee applied to the customers personal investments in rooftop solar power. This proposal is an outrage to the progress toward clean air in Utah.

SUGGESTED RESOLUTION: Provide incentives to the community to place solar power on residential and commercial buildings.
