To: psc@utah.gov

To Whom It May Concern:

I am writing to protest the \$4.25 penalty fee that RMP would like to impose on those who have invested with their own money in Solar Panels. This is a disgrace and ultimate greed upon RMP's part. RMP has done almost next to nothing to further progress clean energy in Utah. Do not penalize those who are making strides to contribute to clean energy!

Sincerely,

Debra Anderson
