Subject: Make Utah a solar leader  
To: [tleva@utah.gov](mailto:tleva@utah.gov)

Dear Commissioner LeVar,

While I am currently unable to use solar as a resource because of finances and living in a shaded area, this is important to me. I believe we should be using more solar power. This tax is simply not fair.

Utah ranks 7th in the United States for solar resource but only 31st for solar homes. Utah should be a solar leader but we have fallen behind.

If Rocky Mountain Power succeeds in implementing a monthly tax on solar customers, that future will never be realized.

Don't penalize customers for making the choice to generate their own clean energy. I urge you to support Utah's clean energy future and oppose this unfair tax.

Sincerely,

Michelle Nguyen
