DOCKET NO. 13-035-186
ORDER APPROVING CUSTOMER SERVICE AGREEMENT

ISSUED: January 23, 2014

On November 8, 2013, Rocky Mountain Power, a division of PacifiCorp (“PacifiCorp”), filed a request for approval (“Request”) of its agreement with Hurricane City, Utah (“City”) whereby PacifiCorp agrees to allow the City to provide electric service to certain customers (“Additional Customers”) located outside its municipal boundaries and located within PacifiCorp’s certificated service territory (“Agreement”). The Additional Customers are not currently receiving electric service at the requested locations from either PacifiCorp or the City. PacifiCorp indicates the City and PacifiCorp entered into the Agreement, subject to the Commission’s approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40.

On November 19, 2013, the Division of Public Utilities (“Division”) filed its response to the Commission’s November 8, 2013, Action Request, recommending approval of the Agreement. According to the Division, the City’s electrical facilities are located within 1000 feet of the Additional Customers in contrast to PacifiCorp’s nearest electrical facilities that are located 2000 feet from the Additional Customers. The Division indicates that none of PacifiCorp’s current customers will be affected by the Agreement.

The Commission has not received any opposition to PacifiCorp’s Request.
