

RMP 2012 EBA/Rocky Mountain Power
March 15, 2013
EBA Additional Filing Requirement 19

EBA Additional Filing Requirement 19

PacifiCorp 10K/Semiannual/EBA Reconciliation (See DPU Exhibit 1.9 SR which is the RMP Excel attachment response to DPU 10.1, Docket No. 12-035-67).

Given the timing of the March 15 EBA filings and the release of the Company's 10K and Semiannual report, this reconciliation may need to be provided after the March 15 filing. As such, this reconciliation will be provided as soon as available.

Response to EBA Additional Filing Requirement 19

Due to the timing of this EBA filing, a reconciliation of actual net power costs (NPC) and the Company's December 2012 Results of Operations report and 10K is not possible at this time. These reconciliations will be provided subsequently.
