RE: Docket No. 13-035-32  
Application to Increase Rates by through the Energy Balancing Account  
Stipulation Compliance – Request to Schedule Technical Conference

On October 29, 2013, the Commission approved the Settlement Stipulation in the above referenced docket. In paragraph seven of the Stipulation the Parties agreed “to hold a technical conference on or before March 15, 2014 to evaluate dynamic allocations and dynamic scalars and their effect on EBA costs allocated to Utah customers.” Rocky Mountain Power has communicated with the Parties to the Stipulation and based on participant availability requests the Commission schedule and notice a technical conference to discuss this issue on the morning of February 26, 2014, or if that date is not available on the morning of February 25, 2014.

Rocky Mountain Power respectfully requests that all formal correspondence and requests for additional information regarding this filing be addressed to the following:
