Re: Docket 08-035-55
Service Quality Standards –June 2013 Service Quality Review Report
Docket No. 13-035-70,
Rocky Mountain Power’s Service Quality Review Report

In compliance with the Commission’s June 11, 2009 order in Docket 08-035-55 and pursuant to the requirements of Rule R746-313, Rocky Mountain Power submits the Service Quality Review Report for the period January through December 2013. Rocky Mountain Power will schedule a meeting in the near future to review the attached with the Commission and other interested parties.

In its July 10, 2013 correspondence in the matter Docket No. 13-035-70, “In the Matter of Rocky Mountain Power’s Service Quality Review Report” the Commission directed the Company to list the longest five A priority conditions as of the report date. That information is included in section 3.3 of the attached report. Also in its February 27, 2014, order on Service Quality Reporting the Commission approved the Company’s request to include call center statistics during wide scale outages as required in Merger Commitment U1 which were previously reported separately. That information is included in section 2.12 of the attached report

It is respectfully requested that all formal correspondence and Staff requests regarding this matter be addressed to:
