Re: Demand-Side Management 2012 Annual Energy Efficiency and Peak Load
Reduction Report pursuant to Commission order in Docket No. 09-035-27

On October 7, 2009, in the above referenced docket, the Commission approved the recommendation from the Demand-side Management (“DSM”) Advisory Group requiring Rocky Mountain Power (“Company”) to file an annual DSM report. In compliance with this order, the Company provides herewith its annual report on DSM activities for calendar year 2012.

On January 15, 2013, in Docket No. 12-035-116, the Commission approved permanently moving the annual report required filing date from March 31st to May 1st. Additionally, in Docket No. 12-035-117 the Commission approved changes to the program cost effectiveness reporting requirements in the annual DSM report. The Company has complied with all requirements in the report and attached appendices.

As a provision to service in the Schedule 192 Self-Direction Credit program the administrator is required to file annual reports with the Commission and Company regarding the performance of the Self-Direction Credit program. As appendices to this year’s annual report the Company is also including the 2012 Self-Direction Administrator Reports.

It is respectfully requested that all formal correspondence and staff requests regarding this matter be addressed to:
