

Appendix 6

Utah Low Income

Weatherization Assistance Program

WHO IS ELIGIBLE?

Weatherization helps low-income individuals and families reduce energy costs and increase comfort and safety in their homes. People whose income does not exceed the gross annual income listed below are eligible for Weatherization.

# in Household	Annual Income	
1	\$22,340	<p>To qualify, you must meet DOE's definition of income. Your gross annual income must be at or below the guidelines listed to the left.</p> <ul style="list-style-type: none"> ■ Proof of income eligibility must be included with all applications. ■ If your home has been weatherized after 9/30/1994, you may not be eligible for Weatherization Services. ■ 2012 Poverty Guidelines eff. January 26, 2012.
2	\$30,260	
3	\$38,180	
4	\$46,100	
5	\$54,020	
6	\$61,940	
7	\$69,860	
8	\$77,780
