OCS Data Request 3.2

OCS Data Request 3.2

Please provide a list of all current Commission ordered requirements for inclusion in Annual Energy Efficiency and Peak Load Reduction Reports. Please provide the following specific information in the list:

- a) the specific requirement
- b) the docket number and date of the Commission order
- c) the page number (including appendices) where the requirement is met in the current report.

EXAMPLE:

The estimate of megawatt savings at the time of system peak corresponding to the megawatt-hour savings for energy efficiency programs.	Docket No. 09-035-27, December 21, 2009 order	Page X
The IRP megawatt & megawatt-hour targets for the year	Docket No. 09-035-27, December 21, 2009 order	Page X

Response to OCS Data Request 3.2

See Attachment OCS 3.2.
