Attorney for UAE

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

**IN THE MATTER OF THE
APPLICATION OF ROCKY MOUNTAIN
POWER FOR AUTHORITY TO CANCEL
ELECTRIC SERVICE SCHEDULES NO.
115, 125, 126, and 192; APPROVE
SCHEDULE NO. 140.**

Docket No. 13-035-89
**COMMENTS OF THE UTAH
ASSOCIATION OF ENERGY USERS
IN SUPPORT OF APPLICATION**

Pursuant to the Commission's May 22, 2013 Notice of Filing and Comment Period in this docket, the Utah Association of Energy Users ("UAE") hereby files these comments in support of the Company's application.

UAE participated with the DSM Steering Committee in reviewing the Company's proposal to replace the existing commercial and industrial DSM programs with the new Schedule 140. UAE supports the Company's application, and believes that the new schedule will consolidate and simplify DSM tariffs and processes for commercial and industrial schedules, and that increased incentives will lead to additional cost-effective DSM resources. UAE also supports the new energy project manager proposal and believes that it will help facilitate a more

in-depth and systematic evaluation of energy efficiency for participating commercial and industrial customers.

UAE applauds Rocky Mountain Power for its efforts in developing this new and improved approach to commercial and industrial DSM programs, and supports Commission approval of the same.

DATED this 12th day of June, 2013.
