Attorneys for SunEdison, LLC

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF SCHEDULE 37 AVOIDED COST PURCHASES FROM QFS	Docket No. 13-035-T09 WITHDRAWAL OF REPLY COMMENTS OF SUNEDISON, LLC
---	---

SunEdison LLC (“SunEdison”) hereby withdraws its Reply Comments filed in this docket dated June 27, 2013.

In Reply Comments filed in this docket dated June 27, 2103, SunEdison disagreed with the recommendations of the Division of Public Utilities and Rocky Mountain Power to revise Schedule 37 pricing at this time, arguing that the proposed changes were premature and unsupported. Having now reviewed Rocky Mountain Power’s filing and past Commission orders on Schedule 37 pricing in more detail, SunEdison has concluded that its own Reply Comments were premature.

SunEdison agrees that a new Schedule 37, with updated pricing reflecting the new load forecast and the current forward price curves, is appropriate at this time. SunEdison has concluded that the issues it raised in its Reply Comments, along with other issues, should properly be raised if and when a proposal is made for substantive revisions to the Schedule 37 pricing methodologies, as opposed to in an update to reflect more recent data.

SunEdison takes no position on the issues raised in the Commission's Order dated June 28, 2013, dealing with the on-peak and off-peak hour split and average energy costs. Once the Commission has resolved those issues to its satisfaction, SunEdison supports issuance of a new Schedule 37 as soon as practicable, with updated pricing and a new MW cap.

DATED this 8th day of July, 2013.
