Re: Docket No. 14-022-T01 – In the Matter of Changes to the Monthly Facilities Charge for  
Bridger Valley Electric Association

Dear Mr. Redden:

On December 29, 2014, Bridger Valley Electric Association (“Bridger”) filed new rate schedules with the Public Service Commission of Utah (“Commission”) authorizing an increase in the monthly facilities charge for all rate classes. Pursuant to the Commission’s December 29, 2014, action request, the Division of Public Utilities (“Division”) filed an action request response recommending the Commission conditionally acknowledge Bridger’s rate schedules, subject to confirmation that Bridger conducted the public meeting noticed to occur on January 13, 2015. On January 15, 2015, the Division confirmed Bridger had conducted the public meeting as noticed.

The Commission has reviewed Bridger’s filing and the Division’s action request responses and recommendations, and acknowledges Bridger’s rate schedules filed on December 29, 2014, as compliant with Utah Code Ann. § 54-7-12(7).

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
