**Before the Public Service Commission of Utah**

---

In the Matter of the Investigation of the  
Costs and Benefits of PacifiCorp's Net  
Metering Program

**Docket No. 14-035-114**

---

Pursuant to Utah Code Ann. § 63G-4-207 and Rule R746-100-7, Salt Lake City Corporation ("City") respectfully requests that the Commission grant its Petition to Intervene in Docket No. 14-035-114. In support of this petition, Petitioner states as follows:

1. Petitioner is a local government in Utah serving the interests of a large number of citizens who are customers of Rocky Mountain Power d/b/a PacifiCorp ("RMP"). Petitioner has established community-level renewable energy and pollution reduction goals that may be impacted by the outcomes of this docket.

2. Petitioner is a customer of RMP that consumes a large amount of electricity across many sites representing hundreds of electric meters. Petitioner has existing net metered renewable energy systems and an interest in developing new renewable energy systems through net metering arrangements. The cost-benefit methods and values set through this docket have the potential to impact Petitioner's existing renewable energy systems and ability to develop new projects.

3. The legal rights and interests of Petitioner may be substantially affected by this proceeding.

4. Petitioner has participated in this docket since its inception, including submitting Public Comment on February 6, 2015 detailing areas of concern and consideration for this docket.

5. Petitioner has not fully determined the specific positions it will take or the relief it will seek. Petitioner seeks to intervene for purposes of protecting its interests as they may appear.

6. The interests of justice and the orderly and prompt conduct of this proceeding will not be materially impaired by allowing Petitioner to intervene.

7. Petitioner's interests are not adequately represented by another party in this proceeding.

8. Copies of all notices, orders or pleadings in this proceeding should be served on:
