DOCKET NO. 14-035-114
NOTICE REGARDING DISCOVERY

ISSUED: June 8, 2015

On June 5, 2015, Utah Citizens Advocating Renewable Energy ("UCARE") submitted a data request to the Utah Governor's Office of Energy Development ("OED"). The data request was filed with the Public Service Commission of Utah ("Utah").

Informational queries termed "data requests," which have been typically used by parties practicing before the Commission, may include written interrogatories and requests for production as those terms are used in the Utah Rules of Civil Procedure. This form of discovery is appropriate particularly with respect to the clarification of pre-filed testimony and exhibits before hearing so as to avoid unnecessary on-the-record cross-examination.

This notice is issued to remind parties that all forms of discovery, including data requests, are provided for the exchange of information among parties that have formally intervened in a given docket. *See* Utah Admin. Code R746-100-8. OED has not petitioned the Commission to intervene in this docket, is not a party to this docket, and therefore has no obligation to respond to data requests or other forms of discovery. We further remind parties that data requests or other forms of discovery should not be filed with the Commission. Parties may, however, seek to introduce data request responses as evidence in the docket record.
