BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

<b>In the Matter of the Investigation of the Costs and Benefits of PacifiCorp's Net Metering Program</b>	<b>Docket No. 14-035-114</b> <b>Petition to Intervene of Vivint Solar, Inc.</b>
--	--

Vivint Solar, Inc. (“Vivint Solar”) hereby petitions the Public Service Commission of Utah (“Commission”) for leave to intervene in the above-entitled matter pursuant to Utah Code Ann. § 63G-4-207 and Utah Admin. R746-100-7.

The grounds for this petition are as follows:

1. In Docket No. 13-035-184, the Commission declined to implement a PacifiCorp proposal to impose a net metering facilities charge on net metering customers and instead concluded that further study and analysis regarding the costs and benefits associated with the net metering program were required. The Commission opened this docket to do that study and perform that analysis
2. Vivint Solar is the second largest residential solar power provider in North America, with headquarters in Lehi, Utah, and provides distributed solar energy services to residential customers throughout the State of Utah. Many of these consumers lease solar energy systems from Vivint Solar pursuant to long-term contracts and each consumer sells excess solar energy to PacifiCorp through net energy metering. Vivint Solar promotes the production and use of clean, renewable energy that results in exceptional environmental

and health benefits.

3. Vivint Solar provides services pursuant to PacifiCorp's net metering program and therefore has a significant interest in the above-captioned matter. Vivint Solar's legal rights and interests may be substantially affected by the outcome of this docket.

4. Vivint Solar's intervention and participation in this matter will not materially impair the prompt and orderly conduct of these proceedings.

Vivint Solar requests that copies of all notices and filings in this docket be served on:

Email: sfmecham@cnmlaw.com

NOW THEREFORE, Vivint Solar respectfully requests leave to intervene in this proceeding and asks that the Commission enter an Order granting Vivint Solar's petition to intervene enabling Vivint Solar to participate to the full extent allowed by law.

Dated this 22nd day of July, 2015.
