Dear Chairman LeVar,

Keep solar going! My house has it and it makes great sense.

Sincerely,

Andrew Selph

Laurie, can you please include the email below in the net metering docket (14-035-114)?

Thanks,

Jordan

Dear Chairman LeVar,

Please perfect Utah citizens trying to make a difference in air quality that produce clean renewable energy. Please don't let public utilities make new tax on those trying to make a difference in our air quality. Please consider what this will do to those trying to make a difference when a new tax will keep many from being able to afford Putting solar in with this new fee. Thank you for your consideration.

Sincerely,

Chris Sugar

Dear Commissioner Clark,

Please Support rooftop solar in docket # 14-035-114. Rooftop solar and the benefits solar brings to Utah include:
Solar Gives Consumers Energy Choice
Don't Let Utah Be the First State to Eliminate Net Metering
RMP Should Not Be Allowed to Levy Unpredictable Charges on Solar Customers
Independent Studies Finds Solar Keeps Energy Rates Low
Solar Brings Jobs to Our Sunny State

Sincerely,

John Gillham

Dear Commissioner White,

With the current administrations war on coal consumers should be able to tap into any resources available including solar, In the near future we won't have enough power and won't be able to afford the utility rates .

Sincerely,

Gary Price
