*Attorneys for Utah Office of Consumer Services*

Before the Public Service Commission of Utah

In the Matter of Investigating of Costs and Benefits of PacifiCorp's Net Metering Program	Docket No. 14-035-114  The Office of Consumer Services' Motion for Enlargement of Time to Respond to Joint Parties' Petition for Clarification and Review or Rehearing
---	--

The Office of Consumer Services hereby respectfully requests the Public Service Commission of Utah ("Commission") grant an Enlargement of Time to Respond to the to the Joint Parties' Petition for Clarification and Review or Rehearing for the reasons set forth below.

I am the attorney assigned to the draft the Office's Response, which is due on December 28, 2015. I had planned to complete the draft of the Response during the week of December 21, 2015. However, I became ill on Friday, December 18, 2015, and was hospitalized for emergency surgery the following day. I was released from

the hospital on Saturday, December 20<sup>th</sup> but have been unable to effectively return to the office to work on the Response.

Therefore, good cause exists for an extension of time. Moreover, this Motion is filed before the due date of the Response and the delay will not unfairly prejudice any party. *See R746-100-1.C; Utah Rule Civil Procedure 6(b)(1)(A)*. Accordingly, the Office of Consumer Services requests an extension to respond to the Joint Parties' Petition for Clarification, Review or Rehearing until December 31, 2015.
