RE: Docket No. 14-035-114: Motion to Deviate from Electronic Filing Requirement

Dear Mr. Widerburg,

Please find enclosed for filing a **Motion to Deviate from Electronic Filing Requirement** to allow for delivery, on this day, of a CD containing a confidential workpaper created in support of the *Direct Testimony of Eliah Gilfenbaum on behalf of the Energy Freedom Coalition of America*. I dispatched the CD via overnight delivery and it should arrive at the Commission this morning. EFCA is working to establish the capability to use the SFTP for all future filings. The direct testimony is non-confidential and will be filed electronically later this afternoon.

Please contact me if you have any questions regarding this filing.

Sincerely,

Thad Culley
