RE: In the Matter of the Application of Rocky Mountain Power for Approval of an Electric Service Agreement between Rocky Mountain Power and Kennecott Utah Copper LLC
Docket No. 14-035-117

Dear Commissioners:

On February 6, 2015, attorneys for Kennecott Utah Copper LLC submitted a letter to the Commission calling attention to a “misstatement that appears in the Commission’s Order Confirming Bench Rulings Approving Electric Service and Qualifying Facility Power Purchase Agreements, issued January 9, 2015, in combined Docket Nos. 14-035-117, 14-035-121 and 14-035-122 (“Order”).”

On February 23, 2015, the Utah Office of Consumer Services (“Office”) filed a confidential letter response pursuant to the Commission’s direction in its February 10, 2015 Notice.

The Company has reviewed the Office’s letter and is in agreement with the material facts, the response, and the conclusion contained therein. Of specific importance, the Company agrees that Mr. Clements did not represent that Kennecott had previously agreed to the “fourth recommendation”. Mr. Clements was representing that the Company was agreeing to the fourth recommendation. The Company continues to agree to the fourth recommendation and agrees with the Office’s assertion that it is the Company who must comply with the fourth recommendation and not Kennecott.

The Company will also provide electronic versions of this filing to psc@utah.gov and the service list in the Certificate of Service.

Sincerely,

Yvonne R. Hogle
Assistant General Counsel
