|---|--|

Rocky Mountain Power, a division of PacifiCorp, (“Rocky Mountain Power” or “Company”), hereby requests the Public Service Commission of Utah (“Commission”) to admit all pre-filed evidence in the above-captioned proceeding and to, assuming the Commission has no questions for the witnesses, cancel the hearing currently scheduled for June 18 (with a placeholder date for June 19), 2015. The Company, collectively with the Division of Public Utilities, the Office of Consumer Services and Utah Clean Energy shall hereinafter be referred to as “the Filing Parties.”

The Company has been authorized to represent that the Filing Parties have conferred and agree to waive cross examination of witnesses at the scheduled hearing. As a result, the parties are willing to forego the hearing altogether unless the Commission has questions for any of the witnesses. The Filing Parties will make their witnesses available either in person or by telephone if the Commission desires to ask questions of any witnesses. If the Commission has no questions for any of the witnesses, the Filing Parties request that the Commission cancel the hearing.

At this time, the Filing Parties offer all testimony and exhibits filed in this docket, and ask that the Commission admit them to the official record of this proceeding. The Company also offers Rocky Mountain Power’s Compliance Filing and associated Direct Testimony of Mr. Rick

T. Link from Docket No. 12-035-100 including exhibits, filed with the Commission October 9, 2014, for the record in this proceeding.

DATED this 15th day of June, 2015.
