**Re: In the Matter of the Request of Rocky Mountain Power for Major Event Exclusion for the Weather-Related Events that Occurred on November 1 - 2, 2014 – Major Event 37  
Docket No. 14-035-148**

Dear Mr. Larsen:

On December 17, 2014, the Public Service Commission of Utah (“Commission”) received Rocky Mountain Power’s (“Company”) Major Event Report filing requesting major event exclusion for the weather-related events on November 1 – 2, 2014. If the request is approved the Company indicated it will exclude outage information for these events from its network performance reporting and from customer guarantee failure payments.

On January 7, 2015, the Utah Division of Public Utilities (“Division”) filed its action request response memorandum detailing its investigation of this event and recommending the Commission approve the Company’s application for major event exclusion. The Division also concludes the Company’s restoration effort was adequate.

By this letter, the Commission acknowledges receipt of your filing of December 17, 2014, as well as the Division’s recommendation, and approves the November 1 – 2, 2014, weather-related events as a Major Event.

If you have further questions or comments, I can be reached by phone at (801) 530-6716 or email at [gwiderburg@utah.gov](mailto:gwiderburg@utah.gov).

Sincerely,

/s/ Gary L. Widerburg
