ISSUED: April 15, 2014

On February 7, 2014, Rocky Mountain Power, a division of PacifiCorp (“PacifiCorp”), filed a request for approval (“Request”) of its agreement with Monroe City, Utah (“City”) whereby PacifiCorp agrees to allow the City to provide electric service to certain additional customer(s) located outside the City’s municipal boundaries and located within PacifiCorp’s certificated service territory (“Agreement”). The Agreement is in the form of the first amendment to PacifiCorp’s existing agreement with the City, dated September 27, 2013, and approved by the Commission in Docket No. 13-035-162. PacifiCorp further indicates the City and PacifiCorp entered into the Agreement, subject to the Commission’s approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40.

On March 11, 2014, the Division of Public Utilities (“Division”) filed comments pursuant to the Commission’s February 12, 2014, Amended Notice of Filing and Comment Period, recommending approval of the Agreement. The Division notes that according to PacifiCorp, the additional customer(s) are each located within approximately 100 feet of the nearest Monroe City distribution facilities, and approximately 1.3 miles from the nearest PacifiCorp distribution facilities. As such, it is presently uneconomic for PacifiCorp to provide electric service to the additional customer(s) whereas it is relatively convenient and cost-

effective for the City to provide electric service to the additional customer(s). The Division further notes PacifiCorp does not provide maintenance and repair services to the City. Finally, the Division indicates the Agreement will not affect any other current PacifiCorp customers. Based on these factors, the Division recommends the Commission approve PacifiCorp's Request.

The Commission has not received any opposition to PacifiCorp's Request.

ORDER

Based on the Division's recommendation, the lack of opposition to the Request, and for other good cause appearing, the Request is approved.

DATED at Salt Lake City, Utah this 15th day of April, 2014.
