**Re: Semi-Annual Hedging Report (Confidential) – February 14, 2014
Corrected Version of Confidential Attachment A
Docket No. 14-035-20**

Please find enclosed for filing, in the above referenced matter, an original and ten (10) copies of the cover letter for the corrected version of Confidential Attachment A to the February 14, 2014 Semi-Annual Hedging Report. The Company is providing voluminous Confidential Attachment A electronically on a confidential CD. This corrected version replaces, in its entirety, the originally filed version of Confidential Attachment A. Note: the corrections to Confidential Attachment A have no other impacts to the filed February 14, 2014 Semi-Annual Hedging Report.

The “Avg FPC Price” column in Confidential Attachment A should be the same for transactions with identical delivery locations, and start and end dates. An error was discovered in Confidential Attachment A in the calculations for the “Avg FPC Price” column. The corrected version of Confidential Attachment A includes a new column labeled “Total Remaining Volume” that corrects the calculations.

Informal inquiries may be directed to Dave Taylor at (801) 220-2923 or Yvonne Hogle at (801) 220-4050.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation and Government Affairs
