

**EBA Additional Filing Requirement 7**

A report reconciling recovered energy balancing account (EBA) revenues compared to the per rate class revenues authorized by the Public Service Commission of Utah (Commission) in the prior period EBA and the per rate class revenues actually collected, including authorized and actual revenues per class and illustrating the differences between the forecasted and actual billing units.

**Response to EBA Additional Filing Requirement 7**

Please refer to Attachment EBA AFR 7, which provides monthly actual collection of Schedule 94 energy balancing account (EBA) revenue by rate schedule, from June 2012 to the most available month (January 2014).

The authorized EBA revenue was based on an annual base. Actual collection covered EBA-1 (Docket No. 10-035-124) from June 2012 to February 2013, EBA-1 and EBA-2 (Docket No. 12-035-67) from March 2013 to October 2013, and EBA-1, EBA-2 and EBA-3 (Docket No. 13-035-32) from November 2013 to January 2014, which cannot be readily compared with authorized annual revenues at this time.
