Response to EBA Additional Filing Requirement 12

Please refer to the Company’s response to energy balancing account (EBA) Filing Requirement 6, subpart (b), specifically Confidential Attachment EBA FR 6 -4

¹ The Company is working on developing a report similar to FR 1-1 that reconciles the gas physical data and or other data with the TORIS system data/reports. Such a report may replace items 12 and 13 but will still provide the same type of reconciliations as those items.
