Pursuant to Utah Code Ann. § 63G-4-201, 203 and Utah Admin. Code R746-100-3, Rocky Mountain Power (the “Company”) respectfully requests that the Public Service Commission of Utah (“Commission”) approve its agreement with Nephi City, Utah (“City”) whereby the Company agrees to allow City to provide electric service to certain customers (“Additional Customer(s)”) outside its municipal boundary and located within Rocky Mountain Power’s certificated service territory (“Agreement”). The Agreement is attached hereto as Confidential Attachment A. In support of this petition, the Company states as follows:

1. Rocky Mountain Power is a public utility in the state of Utah and is authorized by a certificate of public convenience and necessity issued by the Public Service Commission of Utah (“Commission”) to provide electric service to customers, inclusive of the Additional Customer(s),

in areas outside the municipal boundary of the Municipality. Rocky Mountain Power's principal place of business in Utah is 201 South Main Street, Suite 2400, Salt Lake City, UT 84111.

2. Certain Additional Customer(s), identified more particularly in the Agreement, have requested service from the City, which electric service is located outside the municipal boundaries of the City. Confidential Attachments B and C show the relative location of the Additional Customers(s) to the nearest Nephi City distribution facilities and the nearest Rocky Mountain Power distribution facilities. The Additional Customers(s) are located nearer to Nephi City distribution facilities than to the nearest Rocky Mountain Power distribution facilities. The Additional Customers(s) are not currently receiving electric service at the requested locations(s) from either the Company or the City.

3. City is a municipal provider of retail electric service within the municipal boundaries of the City. City desires to provide electric service to certain Additional Customer(s) – identified more particularly in the Agreement – outside its municipal boundary. The municipal offices of Nephi City are located at 21 East 100 North Nephi, UT 84648.

4. The Legislature of the State of Utah passed Senate Bill 180 (the “Bill”) during the 2013 General Session of the Legislature amending Utah Code Ann. § 10-8-14 regarding electric service by a municipal utility outside of its municipal boundaries. The Bill became law on May 13, 2013.

5. Pursuant to Utah Code Ann. § 10-8-14(5) the City has submitted a request to the Company to provide electric service to the Additional Customers(s), Rocky Mountain Power has agreed to allow the City to provide electric service to the Additional Customers(s), and the Company and the City have entered into the Agreement for the provision of electric service to the Additional Customer(s), subject to the approval of the Public Service Commission.

6. The Parties have entered into the Agreement, subject to the Commission's approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40 to provide terms and conditions for the Municipality to provide electric service to Additional Customer(s) in accordance with, the terms and conditions of this Agreement.
