RE: In the Matter of the Application of Rocky Mountain Power for Approval of Agreements for Electric Service to Existing Customers as of June 15, 2013 within a Municipal Boundary – Docket No. 14-035-72

Dear Mr. Widerburg:

On June 12, 2014, Rocky Mountain Power (“Company”) submitted an Application for Approval of Agreements for Service within a Municipal Boundary (“Application”). The Application inadvertently included an Agreement for Electric Service between the Company and the City of Helper (“Helper Agreement”), which had previously been submitted February 7, 2014 in Docket No. 14-035-18, and approved by the Commission in its Order issued April 15, 2014.

Accordingly, the Company respectfully requests that the Helper Agreement be withdrawn in its entirety from the Application. An original and ten (10) copies of this filing will be provided via hand delivery. The Company will also provide electronic versions of this filing to psc@utah.gov.

Sincerely,

Megan McKay
Associate Attorney
