Re: Advice No. 14-01
Docket No. 14-035-T01, "In the Matter of Rocky Mountain Power's Proposed Changes to Electric Service Schedule 114 – Air Conditioner Direct Load Control Program (A/C-DLC) (Cool Keeper Program)"

Dear Ms. Romney:

On April 8, 2014, pursuant to the Commission's April 4, 2014, Order Approving Tariff Sheets with Modification ("Order"), Rocky Mountain Power ("Company") filed finalized tariff sheets to Electric Service Schedule No. 114, "Air Conditioner Direct Load Control Program (A/C-DLC) (Cool Keeper Program)."

On April 22, 2014, the Division of Public Utilities ("Division") filed a memorandum indicating it had reviewed the Company's finalized tariff sheets. The Division recommends the Commission approve the proposed tariff sheet revisions, as the changes ordered by the Commission in the above-referenced Order are properly reflected in the tariff sheets.

The Commission has reviewed the Company's revised Electric Service Schedule No. 114 tariff sheets and the Division's memo. The Company's revisions to Electric Service Schedule No. 114 are approved by the Commission with an effective date of April 6, 2014.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
