Before the Public Service Commission of Utah

In the Matter of Rocky Mountain Power's Proposed Electric Service Schedule No. 32, Service from Renewable Energy Facilities	Docket No. 14-035-T02
---	------------------------------

Pursuant to Utah Code Ann. § 63G-4-207 and Rule R746-100-7, Salt Lake City Corporation ("City") respectfully requests that the Commission grant its Petition to Intervene Out of Time, which is filed beyond the deadline established in the Commission's Notice on Docket No. 14-035-T02. Staff representing Salt Lake City Corporation learned of the necessity to file a Petition to Intervene in order to submit testimony after the deadline associated with this docket. City staff has been participating in the docket since its inception, including attending related technical conferences and meetings at the Commission.

In support of this petition, Petitioner states as follows:

1. Petitioner is a customer of Rocky Mountain Power d/b/a PacifiCorp ("RMP") that consumes a large amount of electricity across many sites representing hundreds of electric meters.

2. Petitioner has an interest in developing renewable energy to serve a portion of its energy needs. This intention has resulted in past development of onsite

renewable energy projects and potential development of future projects, in part dependent on the outcome of this docket.

3. Petitioner has participated in this docket throughout 2014, including attending technical conferences and settlement discussions.

4. A copy of this Petition to Intervene Out of Time in this proceeding has been served on all parties to the proceeding. Copies of all notices, orders or pleadings in this proceeding should be served on:
