Re: Docket No. 14-035-T13, In the Matter of Rocky Mountain Power's Proposed Revisions to Electric Service Schedule No. 4, Pole Attachments

Dear Mr. Taylor,

The Commission has reviewed Advice No. 14-11 Tariff P.S.C.U. No. 50 of PacifiCorp, dba Rocky Mountain Power ("PacifiCorp"), applicable to electric service in the State of Utah – Pole Attachments. The Commission has also reviewed the December 1, 2014, memorandum filed by the Division of Public Utilities ("Division") addressing PacifiCorp's proposed tariff revisions. The Division indicates the proposed tariff sheets comply with the applicable reporting requirements and do not constitute a violation of state law or Commission rule. The Division recommends the Commission approve the revised tariff Sheet No. 4 – Pole Attachments.

Based on the Division's recommendation, and the lack of opposition to PacifiCorp's filing, the Commission approves the proposed tariff sheet revisions as filed by Rocky Mountain Power in Docket No. 14-035-T13 on November 25, 2014, with an effective date of December 25, 2014.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
