

15-035-03 / Rocky Mountain Power  
March 16, 2015  
EBA Additional Filing Requirement 19

**EBA Additional Filing Requirement 19**

Please provide a PacifiCorp Securities and Exchange Commission (SEC) Form 10-K / Semi-Annual / Energy Balancing Account (EBA) Reconciliation: see “DPU Exhibit 1.9 SR” which is the Rocky Mountain Power (RMP) Excel attachment response to DPU 10.1, Docket 12-035-67. Given the timing of the March 15 EBA filings and the release of the Company’s SEC Form 10-K and Semi-Annual report, this reconciliation may need to be provided after the March 15 filing. As such, this reconciliation will be provided as soon as available.

**Response to EBA Additional Filing Requirement 19**

Due to the timing of this energy balancing account (EBA) filing, a reconciliation of actual net power costs (NPC) and the Company’s December 2014 Results of Operations (ROO) report and Securities and Exchange Commission (SEC) Form 10-K is not possible at this time. These reconciliations will be provided subsequently.
