Response to EBA Filing Requirement 4

The data provided in the Company's response to EBA Filing Requirement 3, subpart (a) cannot be spread as requested, since actual test period composite net power cost (NPC) allocation detail has not been prepared and is not used in this filing. Consistent with the orders in the prior general rate cases (GRC), Docket 11-200-035 and Docket 13-035-184, this filing uses the NPC Allocators agreed to the settlement stipulations in those proceedings. Please refer to the Company's response to EBA Filing Requirement 2, subpart (g).
