BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power to Decrease the Deferred EBA Rate through the Energy Balancing Account Mechanism	PETITION TO INTERVENE Docket No. 15-035-03
---	--

In accordance with Rule 746-100-7 of the Public Service Commission's ("Commission") Rules of Practice and Procedure and the Provisions of Utah Code Ann. § 63-46b-9, Holcim, Inc., Kennecott Utah Copper LLC, Malt-O-Meal, and Tesoro Refining and Marketing Company LLC (this group of electrical power customers will be referred to hereinafter, for convenience only, as the "Utah Industrial Energy Consumers" or "UIEC"), hereby petition the Utah Public Service Commission ("Commission") for leave to intervene in the above-referenced proceeding, and request that the Commission issue an order allowing UIEC to participate fully in this matter.

In support of its Petition to Intervene, the UIEC state as follows:

1. On March 16, 2015, PacifiCorp, doing business in Utah as Rocky Mountain Power ("RMP" or "Company")), filed an Application to Decrease the Deferred EBA Rate through the Energy Balancing Account Mechanism, requesting that the Commission approve a recovery of \$30.9 million in net power costs deferred during the period from January 1, 2014

through December 31, 2014, which, when netted against the balance approved for recovery in the 2014 EBA, the Company states will result in a decrease of approximately \$14.4 million.

2. The consumers herein referred to as UIEC are a group of industrial consumers who each take electrical service from RMP.

3. The consumers herein referred to as UIEC have joined together for the purposes of intervention in this docket to have their common interests represented. The interests of each of the UIEC consumers will not be adequately represented by any other party to this proceeding.

4. The consumers herein referred to as UIEC have a direct, immediate, and substantial interest in this proceeding as customers of RMP because the rate they pay for electric service may be affected by a Commission decision on RMP's Application for an increase in the EBA surcharge.

5. If the consumers herein referred to as UIEC are granted leave to intervene in this proceeding, they hereby request that service of all pleadings, notices, etc. be made to the following:

6. The interests of justice and the orderly and prompt conduct of this proceeding will not be impaired by the grant of the UIEC's Petition to Intervene.

7. The consumers herein referred to as the UIEC have not yet determined the level of their participation or the precise nature of the relief the UIEC will seek, but request that the Commission grant the UIEC intervention as their interests may appear.

WHEREFORE, the UIEC request that the Commission enter an Order granting the consumers herein referred to as the UIEC permission to intervene in this docket and to participate to the full extent allowed by the law.
