

# PacifiCorp - Stakeholder Feedback Form

## 2015 Integrated Resource Plan

PacifiCorp (the Company) requests that stakeholders provide feedback to the Company upon the conclusion of each public input meeting and/or stakeholder conference calls, as scheduled. PacifiCorp values the input of its active and engaged stakeholder group, and stakeholder feedback is critical to the IRP public input process. PacifiCorp requests that stakeholders provide comments using this form, which will allow the Company to more easily review and summarize comments by topic and to readily identify specific recommendations, if any, being provided. Information collected will be used to better inform issues included in the 2015 IRP, including, but not limited to the process, assumptions, and analysis. In providing your feedback, PacifiCorp requests that the stakeholders identify whether they are okay with the Company posting their comments on the IRP website. Submit form and related documents to the IRP e-mail: [IRP@PacifiCorp.com](mailto:IRP@PacifiCorp.com).

Yes  No May we post these comments to the IRP webpage?

Date of Submittal [Click here to enter date.](#)

\*Name: Nancy Esteb

Title: Consultant for Renewable Energy Coalition

\*E-mail: [Esteb44@centurylink.net](mailto:Esteb44@centurylink.net)

Phone: 360-681-8490

\*Organization: Renewable Energy Coalition

Address: P.O. Box 490

City: Carlsborg

State: WA

Zip: 98324

Public Meeting Date comments address: [Click here to enter date.](#)

Check here if not related to specific meeting

List additional organization attendees at cited meeting:

**\*IRP Topic(s) and/or Agenda Items:** List the specific topics that are being addressed in your comments.

Availability of sufficient wholesale power

Check here if any of the following information being submitted is copyrighted or confidential.

**\*Respondent Comment:** Please provide your feedback for each IRP topic listed above.

Could the Company provide information regarding how much wholesale power they believe is available in the region for each of the next ten years, their anticipated need for that power for each year, and the anticipated demand on that power from each of the other major utilities in the region, all by year.

**Data Support:** If applicable, provide any documents, hyper-links, etc. in support of comments. (i.e. gas forecast is too high - this forecast from EIA is more appropriate). If electronic attachments are provided with your comments, please list those attachment names here.

[Click here to enter text.](#)

**Recommendations:** Provide any additional recommendations if not included above - specificity is greatly appreciated.
