Re: **PacifiCorp's 2015 Integrated Resource Plan (IRP)**
Docket No. 15-035-04

REQUEST FOR TECHNICAL CONFERENCE

The Division of Public Utilities (Division) requests that the Utah Public Service Commission (Commission) schedule a Technical Conference in Docket No. 15-035-04 on July 17, 2015.

ISSUE

On June 22, 2015, interested parties participated in an IRP Technical Conference scheduled by the Commission in Docket No. 15-035-04, per the Commission's April 17, 2015 Scheduling Order. At the June 22, 2015 Technical Conference, participating parties agreed to convene at a second Technical Conference on July 17, 2015 (on or after 10:00 a.m.) to discuss demand side management (DSM) topics as related to the 2015 IRP.

Therefore, the Division requests the Commission formally issue notice of the time and date of the July 17, 2015 DSM Technical Conference in the IRP docket noted above. Parties agreed to provide questions and agenda items to PacifiCorp by July 2, 2015. The Division requests the Commission include this request for topics in its notice of the technical conference.
