**Re: Docket No. 15-035-15  
Semi-Annual Hedging Report (Confidential) – February 13, 2015  
Corrected Version of Confidential Attachment A**

Please find enclosed for filing, in the above referenced matter, an original and ten (10) copies of a corrected version of Confidential Attachment A to the February 13, 2015 Semi-Annual Hedging Report. The Company is also providing electronic versions of this filing via CD. This corrected version replaces, in its entirety, the originally filed version of Confidential Attachment A. Note: the corrections to Confidential Attachment A have no other impacts to the filed February 13, 2015 Semi-Annual Hedging Report.

In the original version of Confidential Attachment A, the Company inadvertently labeled some of its natural gas swaps as “Hedging and Balancing”. These should have been labeled “Hedging”, and are corrected in this version of Confidential Attachment A.

Informal inquiries may be directed to Bob Lively at (801) 220-4052, or Yvonne Hogle at (801) 220-4050.

Sincerely,

Jeffrey K. Larsen
