The Amended Agreement is attached hereto as Attachment 1. The Amended Agreement amends the existing agreement which was approved by the Commission in Docket No.14-035-83. The Additional Customer(s) are located nearer to City of Blanding distribution facilities than to the nearest Rocky Mountain Power distribution facilities. The Additional Customer(s) are not currently receiving electric service at the requested location(s) from either the Company or the City.

3. City is a municipal provider of retail electric service within the municipal boundaries of the City. City desires to provide electric service to certain Additional Customer(s) – identified more particularly in Attachment 1 – outside its municipal boundary. The municipal offices of City of Blanding are located at 50 West 100 South, Blanding, Utah 84511.

4. The Legislature of the State of Utah passed Senate Bill 180 (the “Bill”) during the 2013 General Session of the Legislature amending Utah Code Ann. § 10-8-14 regarding electric service by a municipal utility outside of its municipal boundaries. The Bill became law on May 13, 2013.

5. Pursuant to Utah Code Ann. § 10-8-14(5) the City has submitted a request to the Company to provide electric service to the Additional Customer(s), Rocky Mountain Power has

agreed to allow the City to provide electric service to the Additional Customer(s), and the Company and the City have entered into the Amended Agreement for the provision of electric service to the Additional Customer(s), subject to the approval of the Public Service Commission. A map showing the approximate location of the Additional Customer(s) is attached hereto as Attachment 2.
