Re: 15-035-51. RMP 2014 Year End Cost of Service Results

In compliance with the Commission's letter of May 28, 2014, on June 15, 2015, the Company filed with the Commission its Class Cost of Service study based on annual Results of Operations for 2014. The Commission issued an Action Request to the Division to investigate the Company's filing and make a recommendations. The Division's response is due on March 30, 2016.

The Division is still analyzing the filing and is respectfully requesting the Commission to extend the due date of the Action Request to April 15, 2016. This will allow the Division time to conduct more thorough investigation of the filing.
