PROFESSIONAL EXPERIENCE

2001 - Present **Utah Clean Energy** Salt Lake City, UT
Executive Director and Founder

Utah Clean Energy is a 501(c)3 solutions-based organization working to advance energy efficiency and renewable energy.

- Collaborate with diverse sectors to promote new energy technologies, revitalizing rural economies, and attracting new energy technology industries to Utah
- Serve on State of Utah PM2.5 State Implementation Plan Working Group
- Intervene in Utah Public Service Commission regulatory proceedings relating to renewable energy and energy efficiency in the electricity and natural gas sectors
- Serve on electricity and natural gas utility DSM Advisory Committees advising on issues pertaining to DSM program development and implementation; currently these programs are investing over \$100 million per year
- Served on Energy Efficiency and Energy Development Committees supporting Governor Herbert's Energy Task Force, the Governor's Utah Renewable Energy Zone Task Force Governor Huntsman's Energy Advisory Council and Climate Change Advisory Council and the Utah's Legislative Energy Policy Work Group
- Served on Salt Lake City's Climate Action Task Force and Climate Response Network
- Work to remove barriers to solar development in Utah and co-develop and implement a long-term solar implementation plan for Salt Lake City's Wasatch Solar Project
- In partnership with U.S. Environmental Protection Agency, developed a new recognition program, "EPA Green Power Partner Communities"
- Coordinated and co-facilitated Utah Solar and Energy Efficiency Working Groups—collaborative groups comprised of representatives from federal, state and local governments, utilities, renewable energy industries, clean energy advocates, environmental organizations, landowners, and other entities interested in the development of solar and energy efficiency in Utah
- Partner with higher educational institutions to move the clean energy market through university clean energy purchases and installations

1986 - 2001 **IHI Environmental**
Senior Environmental Consultant
