Re: In the Matter of the Application of Rocky Mountain Power for Modification of Contract Term of PURPA Power Purchase Agreements with Qualifying Facilities – Docket No. 15-035-53

Dear Mr. Lively,

The Commission reviewed the proposed modifications to Sheet Nos. 37.3 through 37.7 of Electric Service Schedule No. 37 and Sheet No. 38.5 of Electric Service Schedule No. 38 transmitted with your cover letter dated January 15, 2016, pursuant to the Commission's January 7, 2016 Order (Order) in Docket No. 15-035-53. The Commission also reviewed your revised cover letter submitted on February 8, 2016, and the Division of Public Utilities' (Division) February 9, 2016 action request response.

The Division concludes that the contract term and pricing comply with the Commission's Order and that the revised cover letter clarifies that the proposed tariff sheet modifications comply with Utah Administrative Code R746-405-2(D). The Division recommends the Commission approve the proposed modifications to Schedules 37 and 38 as filed.

Based on our review and the Division's recommendation, the Commission approves the proposed modifications to Schedule 37 and Schedule 38 as filed, with an effective date of January 7, 2016.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
