RE: Docket No. 15-035-54 - Rocky Mountain Power Major Event Report

On May 21, 2015 Rocky Mountain Power requested a major event exclusion for the weather-related events on April 14-16, 2015, which exceeded the Commission approved threshold for customer minutes lost in a 24-hour period.

On June 21, 2015 the Division of Public Utilities (“Division”) recommended that the Commission approve the Company’s request for a major event exclusion for the event of April 14-16, 2015.

The Company appreciates the effort taken by the Division to consider the magnitude of the major event and their cooperation in the process of evaluating the outage related data provide by the Company.

Informal inquiries may be made to Bob Lively at (801) 220-4052 or Heide Caswell, Director Engineering, at (503) 813-6216.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
